SDX Bucketless Mop System

Telescopic Handle with 16" Flat Mop Frame

Best-In-Class Products: Accessories

- Use the **Sticky Particle Roller** to pick up leftover dirt, hair and other particles as the final step in cleaning
- The **Scrub & Clean Sponge** has an abrasive side for scrubbing and a softer side for lighter cleaning
- Pair the **PC Shower Paddle** with the **Orange Cleaning Mitt** to reach tight spaces. Then, use the mitt to isolate the toilet to eliminate cross-contamination
- The **Scrub & Clean Glove** is ideal for cleaning awkwardly shaped surfaces – whatever you touch, you clean
- Slip our **Chenille or Fringed Dusting Sleeve** on the **Flexible Duster** and bend it into any shape to clean hard-to-reach places ...and more!
