

MADE IN THE USA MADE IN THE USA MADE IN THE USA MADE IN THE USA

PRESSURE **AIR** with SAT™

The original non-powered, dynamic pressure relieving mattress replacement system (MRS) with Self Adjusting Technology.™

1-800-451-4514 www.dghealthcare.com

1

Polycarbonate Top Cover

Anti-fungal, anti-microbial, fluid proof & chemically resistant

2

Patented SAT™ Design

2-in-1 mattress that functions as a non-powered or alternating pressure mattress with optional pump

3

Comfort Layer

High density & durable convoluted foam layer

4

Edge Support

Firm-edge support allows for more stability during ingress/egress

5

Non-slip Bottom Cover

Non-slip bottom reduces movement on bed frames without the need of straps

6

Heel Design

Sloped heel design effectively reduces pressure from vulnerable heels

SPECIFICATIONS
